

# UPUTSTVO ZA PODEŠAVANJE UREĐAJA ZA MOBILNI INTERNET HUAWEI E3372H

Ubacite SIM karticu u USB uređaj (modem) a nakon toga ubacite u računar. Stranica za podešavanje automatski će se otvoriti nakon 30-ak sekundi. Ukoliko se to ne desi, uređaju pristupite unošenjem adrese 192.168.8.1 u polje za adresu vašeg pretraživača. Nakon toga pojaviće se PIN autorizacija kao na slici:

### PIN Required

PIN code:

Remaining attempts: 3

Disable PIN verification

For your convenience, it is recommended that you disable PIN verification; otherwise, you will have to enter the PIN each time your device is turned on.

Apply Go to Home

Privacy Policy | (C) 2006-2016 HUAWEI TECHNOLOGIES CO., LTD. | Open Source Notice

Unesite PIN koji ste dobili sa karticom. Nakon toga, potvrdite sa *Apply* i dobićete panel za podešavanje gdje možete podesiti konekciju.

Na stranici *Settings* izaberite *Dial-up*, pa *Profile Management* i u polju *Profile name* odaberite Telekom Internet 4G, kao na slici, i potvrdite sa *Apply*.

The screenshot shows the Huawei Settings application. At the top left is the Huawei logo. In the top right corner, there is a language dropdown menu set to "English" and a signal strength indicator. Below the logo is a navigation bar with tabs for Home, Statistics, SMS, Update, and Settings. The Settings tab is selected. On the left side, there is a sidebar menu with options: Dial-up (selected), Mobile Connection, Profile Management (with a right-pointing arrow), Network Settings, Security, and System. The main content area is titled "Profile Management" and contains the following fields: Profile name (Telekom Internet 4G), User name (38267), Password (masked with dots), and APN (tmcg-4g). At the bottom right of the main area are three buttons: New Profile, Delete, and Apply.

Sačekajte dok na *Home* stranici ne dobijete stanje kao na slici: prikazuje se *Connected*, tj. da je veza uspostavljena.

The screenshot shows the Huawei Home screen. At the top left is the Huawei logo. In the top right corner, there is a language dropdown menu set to "English" and a signal strength indicator with a refresh icon. Below the logo is a navigation bar with tabs for Home, Statistics, SMS, Update, and Settings. The Home tab is selected. The main content area features a large graphic with a bar chart showing signal strength, the text "4G", and "Telekom.me". Below the graphic, it says "Connected" and "Connection Settings" with a link. At the bottom of the graphic is a button with a double-headed arrow icon. Below the main content area, there is a section titled "Current connection" with the following data: Received/Sent: 306 B / 148 B, and Duration: 00:00:14.
