Offer for Telekom Travel e-SIM Package

Podgorica, April 28, 2026

1.With this Offer, Crnogorski Telekom defines the conditions for using prepaid mobile telephony services via the "Telekom travel e-SIM" package. By purchasing the "Telekom travel e-SIM", the user is enabled to use the service provider's mobile network services in accordance with the prepaid mobile telephony user agreement (hereinafter: the Agreement), this Offer, and the General Terms and Conditions for the Provision of Public Mobile Electronic Communication Services of Crnogorski Telekom.

2. The "Telekom travel e-SIM" package is available exclusively as an eSIM card and can only be purchased via the Crnogorski Telekom website www.telekom.me
at a price of EUR 15.00 (VAT included). By purchasing, activating, registering, and using the service through this package, the user confirms that they are familiar with this Offer and fully accept it.

3. Technical requirements/compatibility and top-up: The user is required to ensure: a device compatible with eSIM technology and internet access for downloading the eSIM profile and package. Crnogorski Telekom shall not be liable for device incompatibility or inability to use services due to device manufacturer limitations.
The user may top up the prepaid account and activate additional options via the Crnogorski Telekom website www.telekom.me.

4. This Offer applies exclusively to users who, in the period starting from April 28, 2026, purchase and activate a new eSIM card for the "Telekom travel e-SIM package." Upon activation of the package and for the price defined in Article 2, the user receives the following mobile internet usage:

Package	Resources (mobile internet)	Validity period
Telekom travel e-SIM package	10 GB	180 days from activation

Unused GB within the specified period will not be carried over.
The tariff interval for the allocated resources corresponds to the tariff intervals defined in Articles 6, 7, 8, and 9 of this Offer.

The initial internet resources (10 GB) can be used in the following countries: Argentina, Albania, Austria, Belgium, Bosnia and Herzegovina, Bulgaria, Montenegro, Croatia, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Ireland, Israel, Italy, Kosovo, Kuwait, Latvia, Lithuania, Luxembourg, Malta, Moldova, Netherlands, Norway, Poland, Portugal, Romania, Serbia, Slovakia, Slovenia, North Macedonia, Spain, Sweden, Switzerland, Turkey, Ukraine, the United Kingdom, the United States of America, and Russia.
The operator does not guarantee the availability of all services in all countries at all times due to technical and regulatory limitations of partner networks.

5. If the user consumes the internet resources included in the Telekom travel e-SIM package before the expiration of the validity period, further internet traffic will be blocked until the end of that period. After the expiration of the period, further internet usage will be charged according to the standard prices defined in the Service Provider's Price List.
